LEBA INNOVATION

CHARGE IT, STORE IT, MANAGE IT

SMART FEATURES - BUILT FOR PERFORMANCE

FLEXIBLE STORAGE

Adjustable shelves and dividers accommodate laptops, tablets, Chromebooks, bags, robots and other equipment of all sizes.

POWER PANEL CHARGING

Reliable AC power panels with intelligent power distribution for charging a wide range of devices. AC power can always be upgraded to USB-C Power Delivery solutions.

USB-C CHARGING

USB-C Power Delivery modules provide up to 20W or 60+W per port and can synchronize charging.

INTELLIGENT CABLE MANAGEMENT

Neat cable routing keeps cables protected, tidy and easy to maintain. Integrated power shelves are standard on NCF 36.

SECURE & SAFE

Strong steel construction with secure locking doors to protect valuable devices.

EFFICIENT VENTILATION

Ventilation slots ensure optimal airflow and maintain a safe temperature. A fan can be added as an option.

EASY TO MOVE

Heavy-duty castors with brakes on 2 out of 4 wheels for safe and smooth movement.

BUILT TO LAST

Durable materials and high-quality components for long-lasting performance.

✓

YOUR DEVICES. YOUR DATA. YOUR SECURITY.

A secure charging environment for your devices - every day.

♣

A SUSTAINABLE CHOICE

Built with quality and sustainability in mind.
